

## JRHS Chorus Auditions

### Instructions

Thank you for being interested in auditioning for a James River High School Chorus Ensemble. Anything Goes and Chamber Ensemble are the top performance groups at James River. Both groups have placed at local competitions and received Superior ratings (top rating) at District Assessment.

Show Choir (2 videos; 1 vocal and 2 choreo) and Chamber Ensemble (1 vocal video)

1-Please select a song that you feel best represents your voice. Please make sure the lyrics and subject matter are school appropriate. The selection should be no less than a minute and no more than a minute and a half. Beyond those expectations I just want to hear you sing your best.

2-You will video yourself singing the song you selected. See below for what to include in the video.

- Your full face must be visible during the entire video
- It must be only your voice (no additional voices in the track)
- You can sing with or without accompaniment (karaoke tracks are helpful)
- At the beginning of the video say your first and last name and what class(s) you are auditioning to be in
- The title and artist who originally recorded the song or the musical it is from
- Please tell me a little about your experience with music or why you want to be in the group you are auditioning for
- Sing at the end of your responses to the above

3-Submit your vocal video (and application) to Miss Parsons via email
